

Don't Forget Judgment Day!

by Wayne Goff

Our country's conscience has been made to forget God and His upcoming judgment of all men in the world. I suppose the unbelievers among us think that what you don't know won't hurt you, and that ignorance is bliss! Unfortunately for them, we cannot legislate away God and His eternal Word!

Romans 2:2-4 says *"But we know that the judgment of God is according to truth against those who practice such things. And do you think this, O man, you who judge those practicing such things, and doing the same, that you will escape the judgment of God? Or do you despise the riches of His goodness, forbearance, and longsuffering, not knowing that the goodness of God leads you to repentance?"*

Many of our country's leaders believed in God, the Bible, and eternal judgment.

John Quincy Adams: "The first and almost the only book deserving of universal attention is the Bible. I speak as a man of the world . . . and I say to you, 'Search the Scriptures.'"

Andrew Jackson: "It (the Bible) is the rock on which our Republic rests."

Calvin Coolidge: "The foundations of our society and of our government rest so much on the teachings of the Bible, that it would be difficult to support them if faith in these teachings should cease to be practically universal in our country."

Franklin D. Roosevelt: "The Bible will never meet any greater problem than it has already met and conquered."

Daniel Webster: "The most important thought that ever occupied my mind is that of my individual responsibility to God."

Daniel Webster: "If we abide by the principles taught in the Bible, our country will go on prospering and to prosper; but if we and our posterity neglect its instructions and authority, no man can tell how sudden a catastrophe may overwhelm us and bury all our glory in profound obscurity."
