### Editor's Note:

There is an abundant amount of testimony and evidence to convict any honest person that Jesus of Nazareth is the Son of God, the Savior of the world, who freely gave up His own life as a blood sacrifice to pay for the sins of the world. What keeps people from believing and obeying Jesus is **sin**. Man does not want to give up the sin which enslaves him, and which he so thoroughly enjoys. But on the other hand, he cannot admit that sin is the real culprit! So he turns a deaf ear to the testimony concerning Jesus Christ; blasphemes the very Bible which contains the Lord's *"last will and testament,"* and proves himself to be unworthy everlasting life! How sad! Dear reader, if you are considering the life, death and resurrection of Jesus Christ, then give the evidence a fair hearing and then ask yourself if the sin which so easily besets you is worth the price of your eternal soul!
