

Is It Later Than You Think?

Selected

Someone has prepared a very interesting time table. It made a mathematical parallel of a life span with a twenty-four hour day.

If studied, it will cause you rather serious reflection. See what you have accomplished or left unaccomplished.

- If you are 15 years old, it is 8:51 a.m.
- If you are 20 years old, it is 11:08 a.m.
- If you are 25 years old, it is 12:25 p.m.
- If you are 30 years old, it is 1:25 p.m.
- If you are 35 years old, it is 2:59 p.m.
- If you are 40 years old, it is 4:16 p.m.
- If you are 45 years old, it is 5:43 p.m.
- If you are 50 years old, it is 6:50 p.m.
- If you are 55 years old, it is 8:08 p.m.
- If you are 60 years old, it's 10:11 p.m.
- If you are 70 years old, it is approaching midnight.

**When the bell tolls for you at the midnight hour of death,
on which side of God's judgment seat will you stand?**
