

## “Abortion” After Birth?

This is not a *political* article but an article about *morality*. New York governor Andrew Cuomo signed a bill named “Reproductive Health Act” which now allows for legal abortions up until birth as well as removing abortion from the criminal code. Seven other states now have no gestational limits on abortion.

Virginia governor Ralph Northam argued for the right to remove all state restrictions, saying “If a mother is in labor ... the infant would be delivered. The infant would be kept comfortable. The infant would be resuscitated if that’s what the mother and the family desired, and then a discussion would ensue between the physician and mother.”

Today we are worshiping the god of Selfish Pleasing and causing our children to be aborted. I see no difference between that and God’s abhorrence of the idolatrous practice!

Judah’s King Manasseh did this very thing, adopting all the horrible practices that God had condemned and judged! So we read in 2 Chronicles 33:2, “*But he did evil in the sight of the LORD, according to the abominations of the nations whom the LORD had cast out before the children of Israel.*” “*Also he caused his sons to pass through the fire in the Valley*
