

by Wayne Goff

*We learned recently that our armed forces no longer forbid homosexuals from revealing themselves since someone in the government removed the military requirement. Now we are being inundated with homosexual propaganda! Are you giving in to the pressure?*

### **HOMOPHOBE OR BIBLE BELIEVER?**

We are all well aware of the liberal media and socialistic government imposing their will upon the American public. The so-called separation of church and state concept was foisted upon us by liberal judges and has been so successful that good, moral people believe it is true. In reality, the Bible has been removed from the public eye as much as is humanly possible. You will not read anything from God's Word in newspapers or magazines, nor will you hear it over America's airwaves. There is an absolute **ban** against biblical teaching on the subject. Eventually, Christians and the Lord's church will be persecuted for teaching what will become known as "**hate doctrine**" and "**homophobic teaching.**"

The recent removal of the "Don't ask, don't tell" military requirement has led to a rash of homosexual propaganda in the media. At least twice in the past week, **AMERICA ONLINE NEWS** has produced articles of homosexual military men or women "coming out" and telling their parents. Internet viewers were invited to "watch the video" and "see the reaction" of the parents to the news. Yesterday's Kansas City Star had an article in the FYI SECTION of a lesbian couple trying to impose their relationship upon the nation of Kenya by informing the nation of their "marriage." The last I heard, most states in this country do not accept homosexual "marriage." Yet this false doctrine is being imposed upon us whether we like it or not!

If there is supposed to be a **separation(?) of church (Bible) and state**, then why does that law not apply to those whose religion includes atheism, humanism, new age, etc?! You can see both the hypocrisy and the double-standard. If God's people remain silent, then we will lose the battle.

### **GOD'S WORD CONDEMNS HOMOSEXUALITY**

**1 Corinthians 6:9-11** says "Do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, **nor homosexuals, nor sodomites**, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners will inherit the kingdom of God. And such were some of you. But you were washed, but you were sanctified, but you were justified in the name of the Lord Jesus and by the Spirit of our God."

Homosexuality is still a sin in heaven and in God's eyes. But rather than *hate* or *fear* those who practice this sin, God and His people love them and beg them to repent of this wickedness. It is not a *lifestyle* but a *practice of sin*. It is not a *genetic issue* but a *choice*. Neither medical science nor society have proven their arguments favoring homosexuality, but you wouldn't know it from the propaganda!

**1 Timothy 1:9-10** says "knowing this: that the law is not made for a righteous person, but for the lawless and insubordinate, for the ungodly and for sinners, for the unholy and profane, for murderers of fathers and murderers of mothers, for manslayers, for fornicators, **for sodomites**, for kidnappers, for liars, for perjurers, and if there is any other thing that is contrary to sound doctrine."

The horrible list of sins is both "*contrary to sound doctrine*" and opposed by Divine "*law.*" Legislators in any country will **never** change these facts. God's Word reveals the practitioners of such things to be "*lawless and insubordinate*" as well as "*ungodly and ... sinners.*" Such people do not wish to be confronted with a Divine moral standard, but choose instead to establish their own and try to force it upon good, godly people. Surprised? We shouldn't be. Satan is the "god of this world" who continues to "blind the minds" of the unbelieving, 2 Cor. 4:3-4. This is just the most recent example of it! Beware, and stand fast for the truth!
